

Steps	Logic/Process	Info message / Error message
1	<b>Block 1. Registration</b>	
2	User enters email. If the email is valid - The user goes to step 3. If the email is invalid - The user sees the Error message.	Error message "Invalid email"
3	User enters a password (min 6 symbols, only digits). If a password is valid - The user goes to step 4. If a password is invalid - The user sees the Error message.	Error message "Invalid password"
4	User gets a Confirm email with a link. If the User confirms his/her email - He/she goes to step 5. If the User doesn't confirm his/her email - The registration is not complete.	The email was sent to you for confirming and completing the registration.
5	<b>Block 2. User profile and Payment</b>	Thanks for registration! Please fill the data in your profile.
6	User enters Full name (required field, not less than 2 symbols), adds the file (photo) for Profile picture (max size = 5Mb, required). If the data is filled - The user goes to step 7. If the data is not added or it's invalid - The user sees the Error message.	Error message "Invalid Full name" and/or "Please add the appropriate file for your Profile picture"
7	User fills the data in Payment fields - Card Number, Card Holder Name, Expiry date, CVC (all fields are required). If the data is correct - The user goes to step 8. If the data is incorrect - The user sees the Error message.	Error message "Invalid credit card data"
8	User sees the Info message about the 1st free month, the button Next and Cancel the subscription. If the user clicks Next button - he/she goes to step 9. If the user clicks Cancel the subscription button - he/she goes to step 13.	Thanks for joining us! The 1st month is free. Please click Next and start filling in the data for your account. Or you can click Cancel button and cancel your subscription.
9	<b>Block 3. Profile settings</b>	
10	User sees 10 blocks with a selection of movies/series genres, from which he/she needs to choose a maximum of 4 preferences. If the User made a choice - He/she goes to step 11. If the User didn't make a choice - He/she sees the Error message.	Error message "Please choose max 4 preferences"
11	User must add at least 3 movies/series to Favourites, so the system can understand his/her preferences and propose smth similar to watch. If movies/series are added to Favourites - The user goes to step 12. If movies/series are not added to Favourites - The user sees the error message.	Error message "Please add at least 3 movies/series to your Favourites"

12	User must set the time limit for using the system (for example, if the user is logged in the system for more than 4 hours - the Info message is displayed). If the User set the limit - He/she can use the system. If the User didn't set the limit - He/she sees the Error message.	Error message "Please specify the time limit"
13	Cancel the subscription	
14	User cancels his/her subscription, the service is no longer available for the user. If the subscription is canceled - The user sees the Info message.	So sorry you're leaving us! Please come back if you change your mind.
