Прямое тому подтверждение – сотрудники отдела «15-К», которые и занимаются тем, что озащищают людей от тех, чье существование считается невозможным, просто потому что в них никто не верит. А зря. Зло всегда реально, даже если оно приходит прямиком из «городских легенд». Авторский текст. Скачать fb2.zip, 341 Кб ∨ Читать книгу онлайн К этой книге есть аудиокнига
